

NIKKA FROM THE BARREL

EXTRA MARRIAGE

NIKKA WHISKY | JAPAN

SPECIAL RELEASE (LTO)

To commemorate the 40th anniversary of From the Barrel's debut, Nikka is releasing a limited edition "From the Barrel Extra Marriage." This expression features double the marriage time—up to 6 months of marrying in oak—resulting in a whisky with richer flavor and a longer finish.

PRODUCT INFORMATION

- o Nikka From The Barrel is a blended whisky first released in 1985. This expression aims to deliver full flavors and richness of whisky like "from the barrel," which only blenders can sniff and taste.
- o The secret behind its gorgeous flavor is the unique combination of complex blending, higher ABV 51.4% and secondary aging process known as "marriage."
- o The complex formula is created by blending more than 100 different batches of malt and grain whiskies. After blending, the whisky is filled into used barrels and matured for up to 6 more months. This "marriage" process harmonizes all components in the formula, resulting in a mellow taste.
- o The whisky is bottled at a 51.4% ABV with minimal dilution.
- o The iconic square bottle reflects its concept "a small block of whisky" and embodies the intense and rich flavors of the whisky inside. Long after its launch, this bottle is still timeless and recognized for its ultimate simplicity.
- o Tasting Notes:
 - o Nose: Soft and mellow oak aroma. Rich chocolate, ripe fruit and vanilla sweetness, refreshing orange peel, and malt sweetness.
 - o Palate: Rich and full-bodied. Bold flavors with a smooth, mellow texture and fine oak tannins.
 - o Finish: Mild barrel aroma, woody and bitter aftertaste. Gentle oak aroma with a subtle bitterness on the long finish.
- o 51.4 % ABV
